Hush By Nancy Bush

Cross Your Heart

In the summer before their senior year, Coby Rendell and her friends take a beach trip together. Around a campfire on a foggy June night, Coby, Rhiannon, Yvette and the others share their darkest secrets, before a tragic accident shatters the bond between them . . .

And Hope

Twelve years later Coby attends a birthday party reunion that ends in horror when Yvette's sister's lifeless body is discovered in a hot tub. Soon others in the original group of tale-tellers begin meeting similar fates-unfortunate "accidents" shrinking their numbers one by one. . .

To Die

Conflicted by her growing feelings for Danner Lockwood, the investigating detective, Coby races to unravel a mystery buried in the past. But someone is watching her every move-someone prepared to kill again and again to protect a shocking truth. . .

Praise for Nancy Bush's Blind Spot

"Engrossing. . .twists you won't see coming!" -Karen Rose, *New York Times* Bestselling Author

"Atmospheric. . .sure to cause shivers." -*Book Page*

"Bush keeps the story moving quickly and ends with an unexpected twist." -*Publishers Weekly*

From reader reviews:

Doris Brown:

Here thing why this kind of Hush are different and reputable to be yours. First of all reading a book is good but it really depends in the content of the usb ports which is the content is as tasty as food or not. Hush giving you information deeper and different ways, you can find any guide out there but there is no publication that similar with Hush. It gives you thrill examining journey, its open up your own personal eyes about the thing this happened in the world which is possibly can be happened around you. You can easily bring everywhere like in playground, café, or even in your approach home by train. In case you are having difficulties in bringing the published book maybe the form of Hush in e-book can be your alternate.

Paulette Wang:

In this time globalization it is important to someone to get information. The information will make someone to understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. Often the book that recommended for your requirements is Hush this reserve consist a lot of the information from the condition of this world now. That book was represented so why is the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The writer made some study when he makes this book. Here is why this book ideal all of you.

Benjamin Williams:

This Hush is brand-new way for you who has attention to look for some information given it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or you who still having little digest in reading this Hush can be the light food for you because the information inside this book is easy to get simply by anyone. These books acquire itself in the form which can be reachable by anyone, sure I mean in the e-book contact form. People who think that in e-book form make them feel tired even dizzy this book is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the item! Just read this e-book sort for your better life as well as knowledge.

Ian Sharpless:

That publication can make you to feel relax. This kind of book Hush was bright colored and of course has pictures on there. As we know that book Hush has many kinds or style. Start from kids until adolescents. For

example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore not at all of book are generally make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that.
