Editorial Review

Amazon.com Review

Written in 1931, *Tintin in America* was chronologically the third Tintin adventure but is generally considered the first in the "official" canon. The stereotypes probably fit how a European would have looked at the New World, from Al Capone's gangsters in Chicago to a Native American tribe in the unfortunately named Redskin City, as Tintin and Snowy escape one peril after another in pursuit of villain Bobby Smiles. It's one of Hergé's least complex--and least entertaining--tales, still worth a read but not a good introduction to the series as a whole. --*David Horiuchi*

Language Notes

Text: English, French (translation)

About the Author

Hergé, one of the most famous Belgians in the world, was a comics writer and artist. The internationally successful Adventures of Tintin are his most well-known and beloved works. They have been translated into 38 different languages and have inspired such legends as Andy Warhol and Roy Lichtenstein. He wrote and illustrated for The Adventures of Tintin until his death in 1983.

Users Review

From reader reviews:

Anthony Hubbard:

Book is usually written, printed, or descriptive for everything. You can realize everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Tintin in America (The Adventures of Tintin) will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think which open or reading a book make you bored. It's not make you fun. Why they can be thought like that? Have you seeking best book or suited book with you?

Julio Rico:

Book is to be different for every grade. Book for children till adult are different content. We all know that that book is very important usually. The book Tintin in America (The Adventures of Tintin) has been making you to know about other information and of course you can take more information. It is quite advantages for you. The guide Tintin in America (The Adventures of Tintin) is not only giving you far more new information but also to get your friend when you sense bored. You can spend your own personal spend time to read your e-book. Try to make relationship with all the book Tintin in America (The Adventures of Tintin). You never truly feel lose out for everything should you read some books.

Nolan Russell:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, subsequently why you don't try factor that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Tintin in America (The Adventures of Tintin), you can enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its called reading friends.

Donna Moore:

In this particular era which is the greater man or woman or who has ability to do something more are more special than other. Do you want to become considered one of it? It is just simple method to have that. What you have to do is just spending your time not much but quite enough to enjoy a look at some books. Among the books in the top collection in your reading list is Tintin in America (The Adventures of Tintin). This book that is certainly qualified as The Hungry Hills can get you closer in getting precious person. By looking upward and review this e-book you can get many advantages.
