Pompey (Command) By Nic Fields

Pompey, or Pompey the Great, was one of the best military leaders of the late Roman Republic. His campaigns against the Marians, his battles in Hispania and his defeat of the Mediterranean pirates launched him to political stardom where he became an ally of Julius Caesar and a member of the First Triumvirate. However, an alliance between two such ambitious figures could not last, and the two became bitter rivals as the Republic descended into civil war. This book tells the complete story of Pompey as a military commander, pulling him out from the shadows of Julius Caesar's writings and examining him and his campaigns on their own merits.

Editorial Review

About the Author

Dr Nic Fields started his career as a biochemist before joining the Royal Marines. Having left the military, he went back to University and completed a BA and PhD in Ancient History at the University of Newcastle. He was Assistant Director at the British School at Athens, Greece, and then a lecturer in Ancient History at the University of Edinburgh. Nic is now a freelance author and researcher based in south-west France.

Users Review

From reader reviews:

Judith Lea:

The publication with title Pompey (Command) possesses a lot of information that you can study it. You can get a lot of gain after read this book. That book exist new information the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. This kind of book will bring you in new era of the syndication. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Buddy Beckstead:

This Pompey (Command) is great book for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. This book reveal it details accurately using great plan word or we can state no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having Pompey (Command) in your hand like having the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen second right but this reserve already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt that will?

Jack Murray:

As we know that book is important thing to add our information for everything. By a book we can know everything we wish. A book is a pair of written, printed, illustrated or even blank sheet. Every year had been exactly added. This guide Pompey (Command) was filled in relation to science. Spend your time to add your knowledge about your scientific research competence. Some people has several feel when they reading the book. If you know how big benefit of a book, you can really feel enjoy to read a publication. In the modern era like now, many ways to get book that you simply wanted.

Cory Thomas:

A number of people said that they feel uninterested when they reading a book. They are directly felt the item when they get a half parts of the book. You can choose often the book Pompey (Command) to make your own reading is interesting. Your current skill of reading talent is developing when you including reading. Try to choose simple book to make you enjoy to study it and mingle the idea about book and examining especially. It is to be first opinion for you to like to open a book and read it. Beside that the guide Pompey (Command) can to be your new friend when you're experience alone and confuse with what must you're doing of their time.
