With its picture of a banana on the package, this audio pushes limits and offers some excellent insights and advice with lighthearted but respectful humor. The presentation is about how one sexual activity connects with all the others in a man, and how this sequence taps into what is exciting and fulfilling for him. Technique works only in the context of a man's sexual identity, which is not simplistic and has to be continually discovered through safe communication. Though likely risky for couples who have emotional intimacy problems, the program offers solid advice on how to know your man and your man's desires. The author's sincerity and relaxed narration style compensate for his mediocre vocal quality. T.W. © AudioFile 2006, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*
