Long Lost (Myron Bolitar Book 9) By Harlan Coben

Master of suspense Harlan Coben ratchets up the tension as sports agent Myron Bolitar gets mixed up in some international intrigue in this #1 *New York Times* bestseller.

With an early morning phone call, an old flame wakes Myron Bolitar from sleep. Terese Collins is in Paris, and she needs his help. In her debt, Myron makes the trip, and learns of a decade-long secret: Terese once had a daughter who died in a car accident. Now it seems as though that daughter may be alive—and tied to a sinister plot with shocking global implications...

Editorial Review

From Publishers Weekly

Crime-stopper extraordinaire Myron Bolitar returns in this rousing thriller by bestseller Coben. This time around, Bolitar heads to Paris to heed the distress call from his former lover, Terese Collins, whom he hasn't seen in more than 10 years. She has since lived out her dream of marrying and starting a family, but her perfect life has been shattered, and Bolitar must pick up the pieces. Steven Weber gives an inspired, well-crafted reading that elevates Bolitar from flat, one-dimensionality to a flawed and fully believable character. Weber's other characterizations are equally original; he is interested and invested in the story from the get-go. *A Dutton hardcover (Reviews, Feb. 2). (May)*

Mutli-award-winning author Coben returns to the series that kick-started his red-hot career in his latest novel starring Harvard-educated sports agent/private eye Myron Bolitar (after *Promise Me*, 2006). Myron hasn't had contact with Teresa Collins in seven years, so he is taken aback by her early-morning phone call from Paris. Her ex-husband, who begged her to meet him there, is missing, and she needs Myron's help. Before they can launch a search, however, they are taken into custody by the French police; it seems Teresa's husband has been murdered, and she is the prime suspect. One other unexpected complication: DNA found at the scene of the crime appears to belong to the couple's daughter, except their daughter has been dead for years. Just when Myron starts making progress on putting the pieces together, he is kidnapped by a covert organization and subjected to intense torture. Myron wakes up in a hospital back in the U.S. in bad mental and physical shape but is immediately sheltered by his loyal staff, including Win, his blueblooded business partner, and Esperanza, a former wrestling star turned lawyer. Their easygoing, humorous camaraderie as well as Coben's chilling incorporation of modern medical technology and modern interrogation techniques make this novel hard to put down. Coben puts a wicked topical spin on *Children of the Corn* in an action-packed thriller with a horrific yet credible premise. --Joanne Wilkinson

Review

Praise for *Long Lost*

“A whirlwind story of international intrigue.”—*Chicago Sun Times*

“One of those pulse-quickeners that keeps us madly ripping through the pages.”—*St. Petersburg Times*

“What is perhaps Harlan Coben’s best written and most suspenseful thriller yet.”—Associated Press

“A roller coaster plot and savvy dialogue.”—*New York Daily News*

“[Bolitar’s] James Bond exploits put Jerry McGuire to shame...*Long Lost* is a winner.”—*Pittsburgh Post-Gazette*

“Coben is the master of taking impossible, even outlandish situations and somehow making them realistic. This is sure to please both Bolitar fans and those who have only read Coben’s roller coaster-ride thrillers.”—*Library Journal*

“Agent Myron Bolitar returns in a case as twisty and ambitious as Coben’s highly successful stand-alones...will leave the easy chair smoking.”—*Kirkus Reviews*

Users Review

From reader reviews:

Shirley Arrington:

Within other case, little persons like to read book Long Lost (Myron Bolitar Book 9). You can choose the best book if you want reading a book.
