Preceptor's Handbook for Pharmacists By Lourdes M. Cuellar MS RPh FASHP, Diane B. Ginsburg M.S. R.Ph. FASHP

Being a preceptor is hard work. Let ASHP help you become a great leader with the new Preceptor's Handbook for Pharmacists, Third Edition, by Lourdes Cuéllar and Diane Ginsburg. You'll quickly get up to speed on helping students and residents prepare to become effective pharmacists and master patient care. This updated guide will show you how to:

- Integrate pharmacy students and residents into your practice
- Improve essential communication, teaching, and leadership skills
- Motivate and challenge students, set expectations, and acknowledge and understand generational issues and perspectives
- Establish a professional attitude and bearing in your students
- Develop your students' cultural competency
- Grasp essential teaching skills fundamental to your students' success
- Master the administrative detail of being a pharmacy preceptor
- Understand the skills needed to mentor pharmacy residents and those in fellowships

In the changing world of pharmacy practice, the need for effective preceptors to help prepare both students and residents has never been greater. The Preceptor's Handbook for Pharmacists remains the go-to, authoritative resource for both new and experienced pharmacy preceptors. When you are a preceptor, you create a lifelong impact on young pharmacists.

Editorial Review

Review

Reviewer ,

Michael Barros, Pharm.D., BCPS, BCACP, BC-ADM (Temple University School of Pharmacy),

Description ,

This is the third edition of a handbook that continues to serve as an excellent guide to acquiring the necessary skills to become an effective educator. Although the book may be best used by novice educators, senior educators will find excellent tips to augment their interactions with students and residents.,

Purpose ,

The authors set out to present various educational strategies for preceptors to use to actively engage with students and residents. Anyone looking to design dynamic and effective experiential programs at their practice sites will find this book most useful.,

Audience ,

Any pharmacy professional looking to augment or improve their teaching skills will find this book incredibly helpful. Both novice and senior preceptors will walk away with great tips and ideas to enhance students' or residents' rotational experiences. The authors are credible professionals and they have assembled top leaders to contribute their expertise as well.,

Features ,

Detailed chapters examine different educational scenarios. The 14 chapters progress from precepting fundamentals to topics such as precepting in new practice models and pharmacy residencies/fellowships. Chapters begin with outlines followed by learning objectives. Important concepts are explained and organized into easy-to-follow charts. Preceptor pearls are listed throughout to assist readers with how to incorporate the information into their practice setting. Finally, a summary enhances important concepts and references are provided for review.,

Assessment ,

As an educator, I find this handbook continues to serve as an excellent resource for anyone wishing to augment or improve the educational component at their practice site. Readers will come away with great tips to help them become proficient, energetic, and memorable preceptors.

About the Author

Lourdes M. Cuéllar, MS, RPh, FASHP, serves as Administrative Director of Pharmacy, Clinical Support

Services and Medical Outpatient Clinics at TIRR Memorial Hermann Hospital in Houston, TX. She received both her B.Sc. Pharm and M.S. in Pharm Administration from the University of Houston. She is a past-president of the Texas Society of Health-System Pharmacists (TSHP), Gulf Coast Society of Health-System Pharmacists & of the TSHP Research & Education Foundation. Ms. Cuellar has served on various state, local and ASHP councils, committees and task forces. She has served as a Texas delegate to the ASHP House of Delegates since 1998. She is currently serving on the Texas Statewide Health Coordinating Council by appointment from former Governor Rick Perry. She is an adjunct Clinical Professor of Pharmacy Practice and Administration at the University of Houston and the University of the Incarnate Word and serves as a preceptor for pharmacy students & residents. Ms. Cuellar has been the recipient of several leadership awards including the TSHP Distinguished Service Award. The TIRR Pharmacy Department has been the recipient of the TSHP Collaborative Practice Award, University of Houston Health-System Preceptor Site of the Year Award & several pharmacists have received Preceptor of the Year awards. Her professional interests are in pharmacy practice management, leadership development, health policy, & alleviation of health disparities. She is recognized as a Fellow of the ASHP.

Diane B. Ginsburg, PhD, RPh, FASHP, completed her B.S. in Pharmacy at the University of Pittsburgh School of Pharmacy in 1984 and a M.S. at the University of Houston College of Pharmacy in 1990. She completed a two-year ASHP-accredited residency in hospital pharmacy administration in 1987 at The Methodist Hospital in Houston, Texas. She received her Doctor of Philosophy degree in higher education administration in the College of Education at the University of Texas at Austin. She is currently a Clinical Professor in the Division of Health Outcomes and Pharmacy Practice and Assistant Dean for Student Affairs at the University of Texas at Austin, College of Pharmacy.

She has been active with ASHP and served as President and a 3-year term on the Board of Directors. She has served ASHP in several capacities including: Chair, Council on Educational Affairs, AJHP Editorial Advisory Board, Texas Delegate, Co-Coordinator National Clinical Skills Competition. She is Co-Editor of *Infectious Disease Pharmacotherapy Self-Assessment* and an author and editor of *ASHP's Preceptor's Handbook for Pharmacists*. She also served as Chair of the ASHP Research and Education Foundation Board of Directors.

Users Review

From reader reviews:

Verna Riddle:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each reserve has different aim or perhaps goal; it means that e-book has different type. Some people sense enjoy to spend their a chance to read a book. They are reading whatever they get because their hobby is reading a book. How about the person who don't like examining a book? Sometime, man or woman feel need book if they found difficult problem or even exercise. Well, probably you'll have this Preceptor's Handbook for Pharmacists.

Rosie Zimmerman:

Exactly why? Because this Preceptor's Handbook for Pharmacists is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who write the book in such amazing way makes the content on the inside easier

to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of positive aspects than the other book get such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.

Roy Rogers:

This Preceptor's Handbook for Pharmacists is completely new way for you who has curiosity to look for some information because it relief your hunger info. Getting deeper you on it getting knowledge more you know or else you who still having tiny amount of digest in reading this Preceptor's Handbook for Pharmacists can be the light food for yourself because the information inside that book is easy to get by anyone. These books create itself in the form that is reachable by anyone, yeah I mean in the e-book form. People who think that in e-book form make them feel sleepy even dizzy this guide is the answer. So you cannot find any in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the item! Just read this e-book type for your better life and also knowledge.

William Kavanaugh:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book was rare? Why so many query for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book but additionally novel and Preceptor's Handbook for Pharmacists or even others sources were given information for you. After you know how the truly amazing a book, you feel desire to read more and more. Science book was created for teacher or even students especially. Those textbooks are helping them to add their knowledge. In different case, beside science publication, any other book likes Preceptor's Handbook for Pharmacists to make your spare time considerably more colorful. Many types of book like this.
