Putting Jesus in His Place: The Case for the Deity of Christ By Robert Bowman, J. Ed Komoszewski, Darrell L. Bock

The central theological distinctive of Christianity--that Jesus is God incarnate--has repeatedly come under fire from adherents to other religions and scholars who interpret Jesus as a prophet, angel, or guru. *Putting Jesus in His Place* is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ. Using evidence from the New Testament, this book helps readers appreciate the significance of Christ's deity in a personal relationship with Him, and gives them the confidence to share the truth about Jesus with others. The book is divided into five sections, each corresponding to an aspect of the New Testament's revelation of Jesus as God, and using an acronym based on the letters in the word HANDS:

- H-Honors (Jesus shares the honors that are due God)
- A-Attributes (Jesus shares the attributes of God)
- N-Names (Jesus shares the names of God)
- D-Deeds (Jesus shares the deeds that God does)
- S-Seat (Jesus shares the seat of God's eternal throne)

Putting Jesus in His Place engages objections to the divine identity of Jesus Christ from Jehovah's Witnesses, Mormons, Muslims, Unitarians, and other religious perspectives. Its emphasis throughout, however, is on the positive case for the deity of Christ. The book introduces the reader to cutting-edge scholarship on New Testament Christology and makes the information accessible and usable for those who are not biblical scholars or theologians. Endorsed by an impressive lineup of leading specialists in the field including Martin Hengel, Richard Bauckham, I. Howard Marshall, Craig A. Evans, Daniel B. Wallace, Murray J. Harris, and Larry Hurtado, *Putting Jesus in His Place* is an indispensable introduction and reference on the New Testament teaching about the identity of Jesus Christ.

Editorial Review

Review

Lays out the case for the deity of Christ in clear, compelling, memorable language, converting the best of biblical scholarship on the subject into language anyone can understand. --Daniel B. Wallace, Center for the Study of New Testament Manuscripts

From the Publisher

In the culturally aware and practical style of the popular *Reinventing Jesus*, two noted New Testament scholars present a unique and comprehensive approach to understanding the deity of Christ and its basis in Scripture. That Jesus is God in human form is central to Christianity. Recently, attacks on this truth have become more frequent as false religions continue to propagate views of Jesus as an angel, prophet, or guru.

From the Back Cover

What Christians have affirmed for nearly two millennia--that Jesus is God--is frequently and openly called into question today. It's natural that those who reject the Bible also reject its exalted view of Christ. But surprisingly, many who embrace the authority of Scripture are quick to argue that Jesus' deity is found nowhere in its pages.

Putting Jesus in His Place demonstrates that the New Testament--from beginning to end--clearly reveals Jesus' divine identity. What's more, it shows that belief in Jesus as God was the conviction of his original Jewish followers, rooted in Old Testament theology and in what Jesus himself said and did.

In a manner that is both academically sound and spiritually engaging, the authors make a case for the deity of Christ that is easy to follow and hard to forget.

Users Review

From reader reviews:

Solomon Steward:

The book *Putting Jesus in His Place: The Case for the Deity of Christ* gives you a sense of feeling joy for your spare time. You should use it to make your capabilities a lot more increase. Book can be your best friend when you're getting strain or having big problems along with your subject. If you can make reading a book *Putting Jesus in His Place: The Case for the Deity of Christ* to get your habit, you can get considerably more advantages, like add your capabilities, increase your knowledge about many or all subjects. You may know everything if you like to open up and read a book *Putting Jesus in His Place: The Case for the Deity of Christ*. Kinds of books are a lot of. It means that, science publication or encyclopedia or other individuals. So, how do you think about this e-book?

Daniel McDonald:

What do you think of the book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for every single other. Don't be obligated to someone or something that they don't want to do that. You must know how great in addition to important the book *Putting Jesus in His Place*:

The Case for the Deity of Christ. All type of book could you see on many methods. You can look for the internet resources or other social media.

Lisa Christopher:

Book is to be different for each and every grade. Book for children until adult are different content. As we know that book is very important for all of us. The book Putting Jesus in His Place: The Case for the Deity of Christ has been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The guide Putting Jesus in His Place: The Case for the Deity of Christ is not only giving you considerably more new information but also to be your friend when you feel bored. You can spend your current spend time to read your publication. Try to make relationship while using book Putting Jesus in His Place: The Case for the Deity of Christ. You never sense lose out for everything should you read some books.

Mark Carlton:

Nowadays reading books be a little more than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want have more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining for instance comic or novel. Often the Putting Jesus in His Place: The Case for the Deity of Christ is kind of book which is giving the reader unstable experience.
