The Kemetic Tree of Life Ancient Egyptian Metaphysics and Cosmology for Higher Consciousness By Muata Ashby

In the early period of Ancient Egyptian history, earlier than in any other culture, before the Hindus, Buddhists, Kabbalists and Taoists, there was a teaching of the TREE OF LIFE. This was a special teaching describing the secret wisdom about the nature of the universe and of the soul as well as a path to make the journey, through varied phases of spiritual evolution, from mortal to immortal and from earth to heaven and beyond. The goal is to regain oneâTMs divine stature and transcendental place. In its earliest form, originated in Ancient Egypt, it was related to theurgical religious system developed in the priests and priestesses of the Ancient Egyptian city of Anu and the Tree was seen as the source of life. This book explains that teaching, which has been available to all, but missed by those who did not possess the keys to unlock its mystic formula. In this volume the Creation teaching of Anu, the TREE OF LIFE metaphysical teachings, disciplines and techniques, from the hieroglyphic texts, are given.
