The Oxford Handbook of Empirical Legal Research (Oxford Handbooks)

By Peter Cane, Herbert Kritzer

The empirical study of law, legal systems and legal institutions is widely viewed as one of the most exciting and important intellectual developments in the modern history of legal research. Motivated by a conviction that legal phenomena can and should be understood not only in normative terms but also as social practices of political, economic and ethical significance, empirical legal researchers have used quantitative and qualitative methods to illuminate many aspects of law's meaning, operation and impact.

In the 43 chapters of The Oxford Handbook of Empirical Legal Research leading scholars provide accessible and original discussions of the history, aims and methods of empirical research about law, as well as its achievements and potential. The Handbook has three parts. The first deals with the development and institutional context of empirical legal research. The second - and largest - part consists of critical accounts of empirical research on many aspects of the legal world - on criminal law, civil law, public law, regulatory law and international law; on lawyers, judicial institutions, legal procedures and evidence; and on legal pluralism and the public understanding of law. The third part introduces readers to the methods of empirical research, and its place in the law school curriculum.

Editorial Review

Users Review

From reader reviews:

Kristi Jones:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each book has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their time for you to read a book. They can be reading whatever they get because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, man or woman feel need book if they found difficult problem or maybe exercise. Well, probably you will require this The Oxford Handbook of Empirical Legal Research (Oxford Handbooks).

Kimberley Bailey:

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice for you personally but the problems coming to a person is you don't know what one you should start with. This The Oxford Handbook of Empirical Legal Research (Oxford Handbooks) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Marilyn Calhoun:

This The Oxford Handbook of Empirical Legal Research (Oxford Handbooks) is great publication for you because the content which is full of information for you who all always deal with world and possess to make decision every minute. That book reveal it facts accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with attractive delivering sentences. Having The Oxford Handbook of Empirical Legal Research (Oxford Handbooks) in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt this?

Thomas White:

Many people spending their time frame by playing outside along with friends, fun activity with family or just watching TV the whole day. You can have new activity to enjoy your whole day by studying a book. Ugh, do you consider reading a book will surely hard because you have to use the book everywhere? It okay you

can have the e-book, getting everywhere you want in your Smart phone. Like The Oxford Handbook of Empirical Legal Research (Oxford Handbooks) which is getting the e-book version. So , try out this book? Let's observe.
