## Constructing 21st Century U.S. Foreign Policy: Identity, Ideology, and America's World Role in a New Era By K. Schonberg

This book argues that, in the years since the 9/11 attacks, socially constructed understandings of the identity of the United States and its friends and enemies have played a critical role in determining the course of U.S. foreign policy, in particular the Bush administration's choices with regard to the war on Iraq.
