**Echo** By Pam Munoz Ryan, Pam Muñoz Ryan

**2016 Newbery Honor Book**  
**New York Times Bestseller**

**An impassioned, uplifting, and virtuosic tour de force from a treasured storyteller!**

Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica.

Decades later, Friedrich in Germany, Mike in Pennsylvania, and Ivy in California each, in turn, become interwoven when the very same harmonica lands in their lives. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. And ultimately, pulled by the invisible thread of destiny, their suspenseful solo stories converge in an orchestral crescendo.

Richly imagined and masterfully crafted, *Echo* pushes the boundaries of genre, form, and storytelling innovation to create a wholly original novel that will resound in your heart long after the last note has been struck.

### Editorial Review

From School Library Journal

Gr 5–8—"Long before enchantment was eclipsed by doubt," a young boy named Otto lost in the woods is rescued by three sisters imprisoned there by a witch's curse. In return, he promises to help break the curse by carrying their spirits out of the forest in a mouth harp and passing the instrument along when the time is right. The narrative shifts to the 20th century, when the same mouth harp (aka harmonica) becomes the tangible thread that connects the stories of three children: Friedrich, a disfigured outcast; Mike, an impoverished orphan; and Ivy, an itinerant farmer's child. Their personal struggles are set against some of the darkest eras in human history: Friedrich, the rise of Nazi Germany; Mike, the Great Depression; Ivy, World War II. The children are linked by musical talent and the hand of fate that brings Otto's harmonica into their lives. Each recognizes something unusual about the instrument, not only its sound but its power to fill them with courage and hope. Friedrich, Mike, and Ivy are brought together by music and destiny in an emotionally triumphant conclusion at New York's Carnegie Hall. Meticulous historical detail and masterful storytelling frame the larger history, while the story of Otto and the cursed sisters honor timeless and traditional folktales. Ryan has created three contemporary characters who, through faith and perseverance, write their own happy endings, inspiring readers to believe they can do the same.—Marybeth Kozikowski, Sachem Public Library, Holbrook, NY

Review

### Awards and Praise for *Echo*:

**New York Times Notable Book**

**Publishers Weekly Best Book**

**ILA Notable Book for a Global Society**
