Gwyneth and the Thief By Margaret Moore

Gwyneth

With her hand in marriage and the security of her beloved Haverleigh at stake, Lady Gwyneth is desperate. So when she comes upon a young man who might be the solution to her predicament, she does not hesitate to act, though it means entering into a dangerous deceit and inviting a thief into her castle.

The Thief

All Gavin has known is a life of lawless poverty. Left for dead and taken in by a very young, very determined lady, he has little choice but to entertain her request. Posing as a squire, he begins to train the farmers and craftsmen of Haverleigh in the art of combat. In doing so, Gavin begins to know a far different life -- and to crave all it has to offer.

As Haverleigh is secured through their labor and collusion, sparks fly between Gwyneth and her thief. In a moment of rash indiscretion, a kiss nearly undoes them both. Love between a lady and a thief is unthinkable...unless the truth can remain hidden.

Editorial Review

About the Author

An award-winning author of over fifteen historical romance novels, Margaret began her career at the age of eight when she concocted stories featuring a lovely damsel and a handsome, misunderstood thief. She's had a soft spot for handsome, misunderstood rogues ever since.

Unknowingly pursuing her destiny, Margaret graduated with distinction from the University of Toronto with a Bachelor of Arts degree in English Literature. She also demonstrated a facility for language by winning the Winston Churchill Silver Medal for public speaking. She now utilizes this gift of the gab by giving workshops for various writing groups, including Romance Writers of America and the Canadian Authors Association.

A past president of Toronto Romance Writers, Margaret lives in Toronto with her husband, two teenagers and two cats.

Users Review

From reader reviews:

Vickie Miller:

Have you spare time for the day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a go walking, shopping, or went to often the Mall. How about open or perhaps read a book eligible Gwyneth and the Thief? Maybe it is being best activity for you. You understand beside you can spend your time using your favorite's book, you can smarter than before. Do you agree with their opinion or you have additional opinion?

Isaias McGee:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great in addition to important the book Gwyneth and the Thief. All type of book are you able to see on many solutions. You can look for the internet solutions or other social media.

Priscilla Jefferson:

Do you one among people who can't read satisfying if the sentence chained within the straightway, hold on guys that aren't like that. This Gwyneth and the Thief book is readable simply by you who hate the perfect word style. You will find the facts here are arrange for enjoyable looking at experience without leaving also decrease the knowledge that want to deliver to you. The writer connected with Gwyneth and the Thief content conveys objective easily to understand by most people. The printed and e-book are not different in

the content but it just different in the form of it. So , do you nevertheless thinking Gwyneth and the Thief is not loveable to be your top collection reading book?

Mildred Ralph:

Nowadays reading books be a little more than want or need but also work as a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining including comic or novel. The Gwyneth and the Thief is kind of book which is giving the reader capricious experience.
