## Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) By Jeffrey E. Anderson Ph.D.

Hoodoo, voodoo, and conjure are part of a mysterious world of African American spirituality that has long captured the popular imagination. These magical beliefs and practices have figured in literary works by such authors as Toni Morrison, Alice Walker, and Ishmael Reed, and they have been central to numerous films, such as *The Skeleton Key*. Written for students and general readers, this book is a convenient introduction to hoodoo, voodoo, and conjure.

The volume begins by defining and classifying elements of these spiritual traditions. It then provides a wide range of examples and texts, which illustrate the richness of these beliefs and practices. It also examines the scholarly response to hoodoo, voodoo, and conjure, and it explores the presence of hoodoo, voodoo, and conjure in popular culture. The volume closes with a glossary and bibliography. Students in social studies classes will use this book to learn more about African American magical beliefs, while literature students will enjoy its exploration of primary sources and literary works.

### Editorial Review

#### Review

"The author of this well-put-together book knows that the occult practices imported from Africa to the New World, especially the Caribbean and, although widespread in its influence, has not been well documented in the academic world. Therefore, Professor Anderson has collated what does exist, written informative essays to cover broad general areas, explained what is and is not clear or available in the current literature, and given extensive bibliographies for researchers and interested students to follow up on and do larger studies in the future." - **ARBAonline**

"For the serious scholar, the folklore handbook, *Hoodoo, Voodoo, and Conjure*, provides material for future research into African American culture. In survey courses on African American culture, this book would be one that would go a long way in any analysis of the psychological significance of spirituality, past, present, and future, and its place within the various arms of the Diaspora." - **Journal of Folklore Research**

"...the strength of this book lies in the wealth of historical specifics that are provided. . . this book is valuable because it is important that anyone in the field of religion have some knowledge of these old and influential practices." - **Catholic Library World**

"This is a good reference book for learning about the practice of these three nontraditional healing, helping, and harming techniques. . . . The work provides an in-depth look at the practices. It can serve as somewhat of a how-to guide for anyone interested in becoming involved with them. . . . The book serves as a teaching tool that explains which herbs or portions to use for various needs. . . . The volume is recommended for religious or medical collections focusing on nontraditional spiritual practices. Its accessible style makes it a good source for interested general adult readers as well." - **MultiCultural Review**

"... a wonderful resource guide and historical survey of 'Voodooism' and African American alternative spirituality. . . . Anderson does an outstanding job of informing his readers about Voodooism . . . very informative and an excellent resource for amateurs and experts seeking an understanding of Voodooism and African American supernaturalisms." - **Journal of African American History**

#### About the Author

**Jeffrey E. Anderson** is Assistant Professor of History at the University of Louisiana, Monroe. His previous books include *Conjure in African American Society* (2005).

#### From reader reviews:

#### Gary Lopez:

Here thing why this specific Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) are different and reliable to be yours. First of all reading a book is good however it depends in the content than it which is the content is as yummy as food or not. Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) giving you information deeper including different ways, you can find any

book out there but there is no publication that similar with Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks). It gives you thrill reading journey, its open up your personal eyes about the thing that will happen in the world which is perhaps can be happened around you. It is possible to bring everywhere like in area, café, or even in your technique home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) in e-book can be your substitute.

**Eleanor Rowe:**

Nowadays reading books become more and more than want or need but also work as a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want attract knowledge just go with training books but if you want truly feel happy read one using theme for entertaining including comic or novel. Typically the Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) is kind of reserve which is giving the reader erratic experience.

**Thomas Bedwell:**

The reason? Because this Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who write the book in such awesome way makes the content within easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

**Richard McCormick:**

Is it anyone who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Hoodoo, Voodoo, and Conjure: A Handbook (Greenwood Folklore Handbooks) can be the reply, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?
