## Joseph Smith: Rough Stone Rolling By Richard Lyman Bushman

Founder of the largest indigenous Christian church in American history, Joseph Smith published the 584-page Book of Mormon when he was twenty-three and went on to organize a church, found cities, and attract thousands of followers before his violent death at age thirty-eight. Richard Bushman, an esteemed cultural historian and a practicing Mormon, moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality, his relationships with others, and how he received revelations. An arresting narrative of the birth of the Mormon Church, *Joseph Smith: Rough Stone Rolling* also brilliantly evaluates the prophet's bold contributions to Christian theology and his cultural place in the modern world.

*From the Trade Paperback edition.*

## Editorial Review

From Publishers Weekly

*Starred Review.* How should a historian depict a man's life when that man, and his religion, remain a mystery to so many 200 years after his birth? Bushman, an emeritus professor at Columbia University and author of *Joseph Smith and the Beginnings of Mormonism*, greatly expands on that previous work, filling in many details of the founding prophet of The Church of Jesus Christ of Latter-day Saints, and carrying the story through to the end of Smith's life. Many continue to view Smith as an enigmatic and controversial figure. Bushman locates him in his historical and cultural context, fleshing out the many nuances of 19th-century American life that produced such a fertile ground for emerging religions. The author, a practicing Mormon, is aware that his book stands in the intersection of faith and scholarship, but does not avoid the problematic aspects of Smith's life and work, such as his practice of polygamy, his early attempts at treasure-seeking and his later political aspirations. In the end, Smith emerges as a genuine American phenomenon, a man driven by inspiration but not unaffected by his cultural context. This is a remarkable book, wonderfully readable and supported by exhaustive research. For anyone interested in the Mormon experience, it will be required reading for years to come. (Oct. 10)

Joseph Smith claimed that he was visited by an angel who gave him golden plates from which he transcribed the Book of Mormon, and he had organized a church before he was twenty-five. His personal charisma and his administrative genius helped spread Mormonism throughout the Western United States, turning the sect into a legislative federation complete with social and political institutions. There were always those who thought Smith a charlatan and a fanatic, and, in 1844, at the age of thirty-eight, he was fatally shot by an angry mob. Bushman is both an emeritus professor of history at Columbia and a practicing Mormon, and his exhaustive biography carefully treads a path between reverence and objectivity, as when he investigates the phenomenon of "plural marriage"; Smith, in order to establish "a Righteous race . . . upon the Earth," had more than thirty wives.

*\*Starred Review\** Peter Burnett, California's first governor, never converted to Mormonism, but he came away from his encounter with the Mormon prophet Joseph Smith convinced that he had met "much more than an ordinary man" teaching "strange and striking" doctrines. Both the extraordinary man and his highly distinctive doctrines receive illuminating attention in this landmark biography, published to mark the bicentennial of the American prophet's birth. A distinguished Columbia historian, Bushman stresses the boy seer's thoroughly ordinary origins--born to a hard-pressed New England farm family and denied all but the rudiments of a formal education--to emphasize the marvel of the religious revolution he brought about. Beginning with the publication of a new volume of scripture--the Book of Mormon--recounting the resurrected Christ's ministry in ancient America, that revolution eventually produced a dynamic church run by a complex lay ministry and committed to spreading its message worldwide. Though himself a practicing Latter-day Saint (Mormon), Bushman steers clear of hagiography by permitting readers to hear the voices not only of the prophet's loyal followers but also of various skeptics and adversaries. Readers see in particular detail the views of those who rose against Smith during the turbulent final years of his life, when the practice of plural marriage helped stoke a firestorm of religious conflict. Though that storm ended with the prophet's death at the hands of an angry mob, Bushman gives the slain revelator credit for the remarkable durability of the church he left behind. A deft portrait of a deeply controversial figure. *Bryce Christensen*

### **From reader reviews:**

#### **Jonathan McLean:**

Do you considered one of people who can't read pleasant if the sentence chained in the straightway, hold on guys this aren't like that. This Joseph Smith: Rough Stone Rolling book is readable through you who hate the straight word style. You will find the data here are arrange for enjoyable looking at experience without leaving also decrease the knowledge that want to deliver to you. The writer associated with Joseph Smith: Rough Stone Rolling content conveys thinking easily to understand by most people. The printed and e-book are not different in the information but it just different in the form of it. So , do you even now thinking Joseph Smith: Rough Stone Rolling is not loveable to be your top collection reading book?

#### **Myra Coronado:**

The book untitled Joseph Smith: Rough Stone Rolling is the reserve that recommended to you to read. You can see the quality of the book content that will be shown to a person. The language that writer use to explained their way of doing something is easily to understand. The article author was did a lot of analysis when write the book, to ensure the information that they share for you is absolutely accurate. You also could possibly get the e-book of Joseph Smith: Rough Stone Rolling from the publisher to make you far more enjoy free time.

#### **Joseph Vest:**

Beside this particular Joseph Smith: Rough Stone Rolling in your phone, it could possibly give you a way to get closer to the new knowledge or data. The information and the knowledge you can got here is fresh from your oven so don't end up being worry if you feel like an aged people live in narrow commune. It is good thing to have Joseph Smith: Rough Stone Rolling because this book offers to you personally readable information. Do you sometimes have book but you do not get what it's interesting features of. Oh come on, that will not happen if you have this in the hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. Use you still want to miss this? Find this book and also read it from currently!

#### **Flora Gordon:**

This Joseph Smith: Rough Stone Rolling is brand new way for you who has interest to look for some information given it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Joseph Smith: Rough Stone Rolling can be the light food to suit your needs because the information inside this book is easy to get simply by anyone. These books create itself in the form which is reachable by anyone, yeah I mean in the e-book contact form. People who think that in e-book form make them feel drowsy even dizzy this book is the answer. So there is not any in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss it! Just read this e-book sort for your better life and also

knowledge.
