Stalked (Jonathan Stride) By Brian Freeman

Lieutenant Jonathan Stride knows his partner Maggie Bei is in trouble when she reports a deadly crime on a bitter winter night. She's obviously hiding a terrible secret, and her silence only feeds suspicion. Maggie isn't the only one keeping secrets in Duluth. A seductive young woman has disappeared, leaving behind a stash of lurid fantasies and a cryptic message: *I know who it is*. Following a twisted trail, Stride uncovers a sordid web of violence and voyeurism that someone is willing to kill to keep hidden. Stride isn't alone. His lover Serena Dial – a homicide cop turned private investigator – is chasing a blackmailer who knows all the city's dirty secrets. Even Maggie's. But as Stride and Serena hunt for a killer, a predator with a vicious past is hunting them – with a terrifying plan for revenge. Now every step they take to expose the truth brings them closer to a showdown amid the howling winds of a winter storm. Where survival in the blinding snow is measured in seconds. Where crimes can be buried forever.

Editorial Review

From Publishers Weekly

In Freeman's chilling, atmospheric latest, Jonathan Stride returns from a Las Vegas stint (in *Stripped*) to head the major crimes detective bureau of his former Duluth, Minn., department. When the husband of Maggie Bei, Stride's former detective partner, is murdered, Maggie becomes the prime suspect, and Stride determines to clear her. Meanwhile, Dan Erickson, an ambitious Duluth county attorney, hires Stride's lover, PI Serena Dial (who returned with Stride from Vegas), to pay off a blackmailer. Freeman slowly weaves the cases together into a labyrinthine search for a serial killer. Following the anonymous predator as well as the cops, the reader is teased by the fiend's identity and hidden motives. The stalwart, intuitive Stride digs into the case's disparate elements, including the city's sexual underworld, and a terrified Serena runs into serious trouble. A strong narrative crammed with twists and studded with sex and violence; a mysterious, even mystical, sense of place; and a well-crafted set of characters and relationships make this one of Freeman's stronger crime thrillers. (Feb.)

From reader reviews:

Alvin Pryor:

What do you concentrate on book? It is just for students since they're still students or this for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great in addition to important the book *Stalked* (Jonathan Stride). All type of book could you see on many resources. You can look for the internet sources or other social media.

Patricia Howard:

Here thing why that *Stalked* (Jonathan Stride) are different and dependable to be yours. First of all reading through a book is good however it depends in the content from it which is the content is as tasty as food or not. *Stalked* (Jonathan Stride) giving you information deeper and in different ways, you can find any book out there but there is no publication that similar with *Stalked* (Jonathan Stride). It gives you thrill studying journey, its open up your personal eyes about the thing that happened in the world which is maybe can be happened around you. You can bring everywhere like in playground, café, or even in your means home by train. When you are having difficulties in bringing the published book maybe the form of *Stalked* (Jonathan Stride) in e-book can be your alternative.

Rachel Robbins:

The particular book *Stalked* (Jonathan Stride) will bring that you the new experience of reading a new book. The author style to explain the idea is very unique. If you try to find new book to study, this book very appropriate to you. The book *Stalked* (Jonathan Stride) is much recommended to you to study. You can also get the e-book in the official web site, so you can quicker to read the book.

Eileen Matherly:

Your reading sixth sense will not betray anyone, why because this *Stalked* (Jonathan Stride) publication written by well-known writer who knows well how to make book that could be understand by anyone who all read the book. Written in good manner for you, leaking every ideas and composing skill only for

eliminate your own personal hunger then you still skepticism Stalked (Jonathan Stride) as good book but not only by the cover but also by the content. This is one e-book that can break don't judge book by its include, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.
