Walking with God through Pain and Suffering By Timothy Keller

From the *New York Times* bestselling author of the forthcoming *God's Wisdom for Navigating Life* Timothy Keller comes the definitive Christian book on why bad things happen and how we should respond to them.

The question of why God would allow pain and suffering in the world has vexed believers and nonbelievers for millennia. Timothy Keller, whose books have sold millions of copies to both religious and secular readers, takes on this enduring issue and shows that there is meaning and reason behind our pain and suffering, making a forceful and ground-breaking case that this essential part of the human experience can be overcome only by understanding our relationship with God.

As the pastor of Redeemer Presbyterian Church in Manhattan, Timothy Keller is known for his unique insights into religion and culture. Keller's series of books has guided countless readers in their spiritual journeys. *Walking with God through Pain and Suffering* uses biblical wisdom and personal stories of overcoming adversity to bring a much-needed, fresh viewpoint to this important issue.

Editorial Review

From Booklist

As Keller notes, no one is immune to pain and suffering. No matter how hard we work to remain healthy and maintain strong relationships with family and friends and at work, “something will inevitably ruin it,” he writes. “Human life is fatally fragile and subject to forces beyond our power to manage.” To avoid falling into despair, we need spiritual support. After all, the great theme of the Bible is how God brings joy through suffering. This insightful book offers hard-earned advice on how to accept and ultimately transcend the pain. First, Keller examines human suffering through the ages and the ways that different cultures and religions have coped. Next, he discusses what the Bible says about suffering. Finally, he offers practical advice on how to live through it. He discusses the problem of evil, the reasons for suffering, the varieties of suffering, and the necessity of hope. A luminous and ultimately hopeful examination of the many aspects of suffering.

--June Sawyers

Review

Praise for *Walking with God through Pain and Suffering*

“It has something for everyone—something for the agnostic (Keller makes a strong argument that there are no true atheists); something for the philosopher (although he invites the wounded reader to skip that section); and something for the believer being beckoned into the inner sanctum of sharing in the fellowship of Christ’s sufferings (a place no one naturally wants to go).” - *The Gospel Coalition*

“It is a resource that takes a multidimensional approach to suffering - tackling the internal and external realities - and takes us deep theologically and practically.” - Vertical Living Ministries

“A luminous and ultimately hopeful examination of the many aspects of suffering.” - *Booklist*

Praise for Timothy Keller and his other books

“Tim Keller’s ministry in New York City is leading a generation of seekers and skeptics toward belief in God. I thank God for him.” – Billy Graham

“Unlike most suburban megachurches, much of Redeemer is remarkably traditional. What is not traditional is Dr. Keller’s skill in speaking the language of his urbane audience...Observing Dr. Keller’s professorial pose on stage, it is easy to understand his appeal.” – *The New York Times*

“Fifty years from now, if evangelical Christians are widely known for their love of cities, their commitment to mercy and justice, and their love of their neighbors, Tim Keller will be remembered as a pioneer of the new urban Christians.” – *Christianity Today*

“With intellectual, brimstone-free sermons that manage to cite Woody Allen alongside Matthew, Mark, Luke, and John, Keller draws some 5,000 young followers every Sunday. Church leaders see him as a model of how to evangelize urban centers across the country, and Keller has helped ‘plant’ 50 gospel-based Christian churches around New York plus another 50 from San Francisco to London.” – *New York Magazine*

“This is the book I give to all my friends who are serious spiritual seekers or skeptics.” – Rick Warren, author of *The Purpose Driven Life*, on *The Reason for God*

“Keller mines material from literary classics, philosophy, anthropology and a multitude of other disciplines to make an intellectually compelling case for God. Written for skeptics and the believers who love them, the book draws on the author's encounters as founding pastor of New York's booming Redeemer Presbyterian Church...[*The Reason for God*] should serve both as testimony to the author's encyclopedic learning and as a compelling overview of the current debate on faith for those who doubt and for those who want to reevaluate what they believe, and why.” – *Publishers Weekly* on *The Reason for God*

“World has briefly reviewed about 200 books over the past year. Many stand out, but one in particular is likely to change many lives and ways of thinking. World's Book of the Year is Tim Keller's *The Reason for God*.” – Marvin Olasky on *The Reason for God*

“It's a great resource to equip you to speak with your secular friends; to show them why the Christian understanding of marriage is not only a tremendous blessing, it's the only one that works.” – ChristianPost.com on *The Meaning of Marriage*

“*The Meaning of Marriage* is incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted. While the book is filled with expertly selected biblical verses, nonreligious readers willing to ‘try on’ these observations may find answers not only to the meaning of marriage but to that even bigger question—the meaning of life itself.” – *The Washington Times* on *The Meaning of Marriage*

“Theologically rich and philosophically informed, yet accessible and filled with practical wisdom.” – *Comment Magazine* on *Every Good Endeavor*

“This book is for us all and through its reading it can change and reshape your entire outlook on your life.” – Sarah Macintosh on *Every Good Endeavor*

From the Hardcover edition.

About the Author

TIMOTHY KELLER was born and raised in Pennsylvania and educated at Bucknell University, Gordon-Conwell Theological Seminary, and Westminster Theological Seminary. He was first a pastor in Hopewell, Virginia. In 1989 he started Redeemer Presbyterian Church in New York City with his wife, Kathy, and their three sons. Today, Redeemer has more than five thousand regular Sunday attendees and has helped to start nearly two hundred churches around the world. Also the author of *Every Good Endeavor*, *The Meaning of Marriage*, *Jesus the King*, *Generous Justice*, *Counterfeit Gods*, *The Prodigal God*, *The Reason for God*, and the Encounters with Jesus eSeries, Timothy Keller lives in New York City with his family.

Users Review

From reader reviews:

Christopher Gaul:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a know-how or any news even a concern. What people must be consider if those information which is from the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information it will have huge disadvantage for you. All of those possibilities

will not happen throughout you if you take Walking with God through Pain and Suffering as the daily resource information.

Pamela Cole:

People live in this new morning of lifestyle always attempt to and must have the extra time or they will get wide range of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not a robot. Then we inquire again, what kind of activity do you have when the spare time coming to an individual of course your answer may unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative within spending your spare time, often the book you have read will be Walking with God through Pain and Suffering.

Brandy Anderson:

Playing with family within a park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Walking with God through Pain and Suffering, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

Dwight McBride:

What is your hobby? Have you heard which question when you got learners? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you know that little person such as reading or as reading through become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Amount types of books that can you choose to use be your object. One of them is this Walking with God through Pain and Suffering.
